

# Venabu Fjellhotell

## Guide for a week

### Cross-country skiing 2011

#### Lots of snow and superlative trails

Venabu fjellhotell is situated on the Venabygdsfjellet mountain plateau, south of Rondane National Park. The Venabu Mountain Area is famous for its stabile snow and varied terrain. We have a network of **140 km** of marked and prepared trails.

#### Weekly programme

In the winter season our 2 tour leaders will take you out on a new tour every day except Saturday. You can choose between a short or a long trip. One of our tour leaders is a member of the UIMLA ( Union of International Mountain Leader Association)

#### Ski Safari

In March and April, when the days are longer, we also feature day long guided ski tours into the mountains far from the regular trails searching for peace and quiet.

#### Troll-Loipe

Venabu Fjellhotell is a destination on the Troll-Loipe which runs from Høvingen to Lillehammer, 170 km.

#### Norwegian Food

We are well known for good quality, home made food and a good variety of vegetarian dishes. Every Wednesday evening we serve our special Norwegian Buffet – a selection of traditional Norwegian food.
